Maison de campagne Le Glaizil

Le Glaizil: Exclusively, La Loge Immobilier invites you to the heart of the Champsaur valley to present this pleasant, quiet property, with a superb unobstructed view of the mountains that surround you. The property extends over a plot of more than 3,900 m² including 1,500 m² entirely flat located in the urbanized part of the town with therefore building potential and the additional 2,400 m² with a little more relief which will end at the foot of the Riou torrent which flows until the middle of summer. The house built in the mid-1960s facing south, consists of two independent dwellings of approximately 50 m² each; the first on the garden level consists of a bright main room of approximately 25 m², two bedrooms and a bathroom with WC.
