Maison de village 299 Gigors

Gigors : TO RENOVATE - The Tallard real estate lodge exclusively offers you this village house on the border of the Hautes-Alpes and the Alpes-de-Haute-Provence in the heart of a valley offering a multitude of outdoor activities: hiking trails, mountain bike trails, horseback riding and just 10 kilometers from the renowned via ferrata La Grande Fistoire as well as the 3 lakes leisure center offering a wide range of entertainment (karting, wakeboarding, paintball, etc.). With a living area of approximately 75 m² on two levels, you will discover on one level a living room of 26 m² with a large cellar in the basement, an independent kitchen with storage, a bedroom, a shower room and separate WC. Upstairs, you will have a second bedroom with its bathroom as well as approximately 70 m² of additional potential for conversion on this same level. The roof was completely redone in the early 2010s.
